

CA01

Rajasthan Current Affairs: Schemes, Policies, Government Decisions

About 10-12 questions a paper, and the highest-value chapter in the whole set. Expect budget numbers, scheme name-to-purpose matching, policy years, the district and division count, and at least one appointment question. Notes current to September 2026 — you must add October and November yourself.

The state budget, the schemes that keep getting renamed, the policy wave after Rising Rajasthan, the district count, the big projects and who holds which chair. RPSC builds 10 to 12 questions a paper out of this and sources them from state press notes rather than any book — which is why it is rated the hardest block in the paper every single year.

Rajasthan Current Affairs (to September 2026)

Budget 2026-27

- Viksit Rajasthan @2047
- ₹6,10,956 cr
- 3.69% deficit
- RAJ-SURAKSHA, PRITHWI, Raj-AIMS

Budget 2025-26

- First green budget
- 4.25% deficit
- Ram Jal Setu ₹9,300 cr
- Brahmagupta Centre

Renamed schemes

- Chiranjeevi to Ayushman Arogya
- Indira Rasoi to Shree Annapurna Rasoi
- PKC-ERCP to Ram Jal Setu
- Bhamashah to Jan Aadhaar

Policies by year

- 2023 Green Hydrogen
- 2024 M-Sand, MSME, AVGC-XR
- 2025 GCC, Logistics
- 2026 Semiconductor, AI-ML

Rising Rajasthan

- December 2024
- ₹35 lakh cr MoUs
- Energy ₹6.19 lakh cr
- ₹8 lakh cr grounded

Districts

- 19 created 2023
- 9 + 3 divisions scrapped 2024
- 41 districts
- 7 divisions

Big projects

- Ram Jal Setu, 17 districts
- Pachpadra, Balotra
- Bhadla solar
- Jaipur Metro Phase 2

Laws 2026

- UCC Bill 14 Aug
- Wage Code 7 Aug
- Trees Protection Bill
- One State One Election

Appointments

- Governor Bagde
- CS Voruganti Srinivas
- DGP Rajeev Kumar Sharma
- RPSC Utkal Ranjan Sahoo

Conservation

- 5 Ramsar sites
- 5 tiger reserves
- Kumbhalgarh proposed 6th
- Khichan, Menar 2025

Before you start — how to keep this chapter alive

Rajasthan current affairs is not a chapter you learn once. It is a chapter you maintain. Every other block in this paper — history, geography, polity — is settled knowledge. This one moves. RPSC picks it up from state press notes, the budget speech and Rajasthan Sujas, not from any book. That is exactly why it is rated the hardest block in the paper every single year. These notes are current to September 2026 and the exam is on 6 December 2026, so there is a

live gap of about two and a half months that you have to fill yourself. Do not wait for a coaching handout in November. Build the habit now — twenty minutes a week.

- Everything dated here carries an explicit 'as of September 2026'. Treat undated numbers as fixed.
- Sources to add from: dipr.rajasthan.gov.in press releases, Rajasthan Sujas monthly, the state budget portal.
- Watch four moving things: office-holders, court and cabinet decisions, new policies, scheme renamings.
- Keep one page at the back of this chapter titled 'Oct-Nov 2026' and add one line a week to it.
- RPSC's current-affairs window for a December paper realistically runs from about January to October 2026.

CURRENT LINK

What is most likely to change between now and the exam (as of September 2026): the Chief Justice of the Rajasthan High Court, the fate of the UCC Bill in the Assembly, fresh sectoral policy notifications, and any new commission chairperson. Everything else in this chapter is reasonably stable.

Rajasthan Budget 2026-27 — the headline numbers

Start with the budget. It is the single densest source of question material in this whole chapter. The 2026-27 budget was presented in February 2026 by Diya Kumari, who is Deputy Chief Minister and Finance Minister. The theme is 'Viksit Rajasthan @2047'. Learn the theme first — a theme question is the easiest mark in the section.

Budget 2026-27 — the numbers to memorise

Item	Figure
Presented by	Diya Kumari, Deputy CM and Finance Minister, February 2026
Theme	Viksit Rajasthan @2047
Total outlay	About ₹6,10,956 crore
GSDP projected	₹21,52,100 crore (about ₹21.5 lakh crore)
Fiscal deficit	₹79,493 crore = 3.69% of GSDP
Per capita income	₹1.68 lakh, projected to rise to ₹2.02 lakh
New taxes	None

Budget 2026-27 — the four thematic outlays

Theme budget	Outlay
Agriculture budget	₹1,19,408 crore
Gender budget	₹74,312 crore
Child budget	₹51,138 crore
Green budget	₹33,475 crore

- Employment target: 1 lakh government jobs in the year.
- Roads: a 42,000 km road network target, of which 16,430 km is new construction.
- 250 Atal Pragati Paths with ₹500 crore.
- 400 government schools to be upgraded as CM-RISE schools with ₹1,000 crore.
- 7,500 Nand Ghar anganwadis with ₹225 crore.
- ₹25,000 crore of interest-free short-term crop loans to more than 35 lakh farmers.

Budget 2026-27 — the new names and the sector announcements

Now the part that actually decides the mark. The 2026-27 budget threw up a dozen new capitalised programme names, and RPSC's favourite format for this is name-to-purpose matching. You will not be asked what PRITHWI costs. You will be asked what PRITHWI is for. So learn the name and the one-line purpose. Nothing more.

Budget 2026-27 — new names and what each one does

Name	What it is for
RAJ-SURAKSHA	Emergency medical response
RAJ-MAMTA	Mental health; Centre of Excellence at SMS Medical College, Jaipur
RAJ-SETU	Urban infrastructure financing
Raj-PAHAL	Education of nomadic and migrant children — 'School on Wheels'
VIBRANT	Mentoring and entrepreneurship development in colleges
DREAM	Programme covering 50,000 college students
Raj-AIMS	Digital Agriculture Mission using AI and satellite data
Mission Raj GIFT	GI tagging and better price realisation for farm produce
PRITHWI	Wildlife and terrestrial habitat conservation, about ₹1,500 crore
Mission Hariyali Rajasthan	10 crore saplings
R4C	Cyber Crime Control Centre
Panch Gaurav Yojana	₹150 crore
Amrit Poshan Vatika	11,000 nutrition gardens

TRAP

The acronyms are deliberately confusable and RPSC will exploit that. RAJ-SETU is urban infrastructure financing — it is NOT emergency medical response (that is RAJ-SURAKSHA) and NOT a tribal coaching scheme. RAJ-MAMTA is mental health, not maternal health, despite the name.

Budget 2026-27 — water and energy announcements

Announcement	Detail
Yamuna water project	₹32,000 crore for the Shekhawati region — Jhunjhunu, Churu, Sikar
Tap water	About ₹4,500 crore for roughly 6,450 villages
Bisalpur-Bikaner drinking water	₹250 crore
Solar parks	About 4,630 MW, about ₹2,900 crore — Bikaner (Nokha-Daitras-Napasar), Bap-Phalodi, Jaisalmer (Ramgarh-Lachhuda)
Grid substations	6 of 220 kV, 13 of 132 kV and 110 of 33 kV
AI-enabled grid	Ajmer Discom

Budget 2026-27 — new institutions and tax changes

Item	Detail
Rajasthan State Testing Agency	Recruitment testing body on the National Testing Agency model
AI Centres of Excellence	Two to be set up
State Drone Cell	Plus a state Drone Policy
Rajasthan Jan Vishwas Act 2.0	Decriminalisation of minor offences
Registration charge	Cut from 1% to 0.5% on documents up to ₹1 lakh
Stamp duty	Cut from 0.25% to 0.125%; stamp-paper surcharge raised 30% to 33%

- Women: Mukhyamantri Lakhpati Didi loan limit raised from ₹1 lakh to ₹1.5 lakh.
- Women: Mukhyamantri Nari Shakti Udyam Protsahan Yojana loan limit raised to ₹1 crore.
- Women: rural women's BPOs at the DISTRICT level with ₹100 crore — not block level, not ₹500 crore.

- *Tourism: ultra-luxury special tourism zone at Khuri, Jaisalmer; war museum at Jhunjhunu.*
- *Tourism: Thar Cultural Circuit covering Jodhpur, Bikaner, Jaisalmer, Barmer and Jalore.*
- *Tourism: Braj Convention Centre at Bharatpur with ₹100 crore.*
- *Industry: new industrial parks at Hindaun (Karauli), Jaisamand (Salumber) and Pachpadra (Balotra), about ₹400 crore.*
- *Horticulture Mission: olive, date palm and pomegranate in arid areas, about ₹1,100 crore.*
- *Also announced: Skill Mentor Board and a centralised GIS lab.*

Budget 2025-26 versus Budget 2026-27 — the contrast RPSC can build a statement question on

Budget 2025-26	Budget 2026-27
Presented 19 February 2025	Presented February 2026
First 'green theme' budget	Theme: Viksit Rajasthan @2047
Fiscal deficit ₹84,643.63 crore = 4.25% of GSDP	Fiscal deficit ₹79,493 crore = 3.69% of GSDP
GSDP over ₹19,89,000 crore	GSDP ₹21,52,100 crore
1.25 lakh government posts	1 lakh government jobs
Sardar Patel Centre for Cyber Control, ₹350 crore	R4C Cyber Crime Control Centre
Target: USD 350 billion economy by 2030	Target: Viksit Rajasthan by 2047

Rajasthan Budget 2025-26 — the green budget

Do not drop the 2025-26 budget just because a newer one exists. RPSC's current-affairs window for a December 2026 paper comfortably reaches back into 2025, and the 2025-26 budget is where the big infrastructure commitments were made — Ram Jal Setu, the expressways, the metro. Its

identity marker is that it was presented as Rajasthan's FIRST green theme-based budget, on 19 February 2025. If a question says 'first green budget of the state', the answer is 2025-26.

Budget 2025-26 — flagship allocations

Item	Allocation
Ram Jal Setu Link Project	₹9,300 crore
Nine greenfield expressways	₹60,000 crore
Jaipur Metro	₹12,000 crore
Pandit Deendayal Upadhyaya Urban Development	₹12,050 crore over seven years
MAA Fund	₹3,500 crore
Free electricity	150 units a month to eligible domestic consumers

Budget 2025-26 — the green ten and the tech-security block

Item	Detail
Climate Adaptation Plan	For 2030 — not 2047
Centre of Excellence for Climate Change	₹150 crore
CM Water Self-Reliance Campaign 2.0	₹2,700 crore
Solar Didi	25,000 women trained in solar equipment
Green Challenge Fund	₹100 crore
Green Aravali Development Project	₹250 crore
Sardar Patel Centre for Cyber Control	₹350 crore, plus 8 new cyber police stations
Brahmagupta Frontier Technologies Centre	₹300 crore — named after the ancient mathematician
RajNET 2.0	₹400 crore
Disaster Recovery Data Centre	Jodhpur

- Employment: Rajasthan Employment Policy-2025 announced.

- Vivekananda Employment Assistance Fund with a ₹500 crore corpus.
- 1.25 lakh government posts to be filled.
- Vishwakarma Yuva Udham Protsahan Yojana — 8% interest subsidy on loans up to ₹2 crore.
- Gig Workers Fund of ₹350 crore.
- Gopal Credit Card — ₹150 crore, covering about 2.50 lakh cowherds (gopalaks).

Budget 2025-26 — specialised parks and their locations

Park	Location
Toy Park	Kota
Stone Park	Nimbahera, Chittorgarh
Ceramic Park	Soniana
Pharma Park	DMIC
Textile Park expansion	Bhilwara
Single Window 'One Stop Shop'	Permissions raised to 149

State schemes — the renamed ones, and the ones running now

This is where students lose marks they should not lose. Rajasthan changes government and the schemes get renamed, but the scheme itself keeps running. RPSC then asks the question using either the old name or the new one — and sometimes builds a match-the-following out of exactly that. So you must carry both names in your head for every renamed scheme.

Old name to new name — learn both columns

Former name	Current name
Mukhyamantri Chiranjeevi Swasthya Bima Yojana	Mukhyamantri Ayushman Arogya Yojana (renamed 2024)

Former name	Current name
Indira Rasoi Yojana	Shree Annapurna Rasoi Yojana (renamed 5 January 2024)
Mukhyamantri Rajshri Yojana	Merged into Lado Protsahan Yojana
Mukhyamantri Vridhjan Tirth Yatra Yojana	Varishth Nagrik Tirth Yatra Yojana
Bhamashah Yojana	Jan Aadhaar Yojana
Parbati-Kalisindh-Chambal ERCP	Ram Jal Setu Link Project (renamed 22 January 2025)

Rajasthan's health insurance chain — the most repeated scheme sequence in the exam

- Chiranjeevi cover ladder: ₹5 lakh (2021) to ₹10 lakh (1 May 2022) to ₹25 lakh (Feb 2023).
- Annual premium ₹850 for the paid category; free for NFSA, SECC-2011 and small and marginal farmers.
- Shree Annapurna Rasoi: meal at ₹8 a plate, state subsidy ₹17, slogan 'Koi Bhookha Na Soye'.
- Lado Protsahan Yojana (1 August 2024): savings bond of ₹1,50,000 in seven instalments up to graduation or age 21.
- Jan Aadhaar: 10-digit family ID, motto 'One Number, One Card, One Identity'; the DBT backbone of the state.

TRAP

Do not mix up the two food schemes. Shree Annapurna Rasoi (formerly Indira Rasoi) is a cooked meal at ₹8 a plate. The Mukhyamantri Nishulk Annapurna Food Packet Yojana (15 August 2023) is a free monthly grocery packet to NFSA families. Similar names, completely different schemes.

ASKED IN RAS

RAS Pre 2023 asked which scheme runs on the slogan 'Koi Bhookha Na Soye'. The question was disputed because both Indira Rasoi and the Annapurna Food Packet were plausible. The slogan belongs to Indira Rasoi, now Shree Annapurna Rasoi. Learn the slogan-scheme pair exactly.

ASKED IN RAS

Rajasthan's health insurance evolution has been asked in 2016 and 2021, and the chain has changed twice since. Learn all four names in order — this is a ready-made chronological ordering question.

Scheme to principal beneficiary

Scheme	Who it is for
Gopal Credit Card	Cowherds and dairy farmers (gopalaks)
Mukhyamantri Mangla Pashu Bima Yojana	Owners of milch animals — about 21 lakh animals covered
Lado Protsahan Yojana	Girl children
Solar Didi	Women trained in solar equipment
Mukhyamantri Kisan Mitra Urja Yojana	Metered farm electricity consumers — up to ₹1,000 a month
Mukhyamantri Horticulture Mission	Olive, date palm and pomegranate growers in arid districts
Indira Gandhi Shahri Rozgar Guarantee Yojana	Urban households — 125 days of guaranteed work

- *Rajasthan Minimum Guaranteed Income Act, 2023* — Rajasthan was the **FIRST** state to legislate a minimum guaranteed income.
- *Right to Health Act, 2022* — Rajasthan was the **FIRST** state to legislate a right to health.
- *Rajasthan Silicosis Policy 2019* — the **FIRST** dedicated silicosis policy in India.
- *The Viksit Bharat Guarantee for Rozgar and Aajeevika Mission (Gramin) Act, 2025* (assent 21 December 2025) repeals MGNREGA 2005 and guarantees 125 days of wage employment — this directly changes Rajasthan's largest rural programme.
- *Jal Jeevan Mission 2.0* was approved in March 2026 with a ₹8.69 lakh crore outlay and a December 2028 target.

ASKED IN RAS

Rajasthan's e-governance portals — Jan Aadhaar, RAJ NIVESH, Raj Kaj — have been asked in 2018, 2021 and 2024. Portal-to-purpose is a standing RPSC habit. Women's schemes (Indira Mahila Shakti, Shakti Udaan) came in 2018, 2021 and 2023.

State policies — learn them by year, not by content

Rajasthan has issued a policy for almost every sector. You cannot read them all, and you do not need to. RPSC asks one thing about a policy: which year. Occasionally it asks the sector. That is all. So build a year table and drill it. The pattern of recent years is easy to hold: 2023 was the energy year, 2024 the industry year, 2025 the services and digital year, 2026 the frontier-technology year.

State policies by year — 2023 to 2026

Year	Policies notified
2026	Aerospace & Defence; Semiconductor; Industrial Park Promotion; AI-ML
2025	GCC (Global Capability Centre); Logistics; Textile & Apparel; Data Centre; RIICO Direct Land Allotment; Youth Policy
2024	RIPS; MSME; Export Promotion; Mineral; M-Sand; Integrated Cluster Development; AVGC-XR; Civil Aviation; ODOP; Integrated Clean Energy; Tourism Unit
2023	Green Hydrogen; Renewable Energy; Biomass & Waste to Energy

- Older policies still quoted: EV, Handicraft, Film Tourism, Rural Tourism and Startup all 2022; Ethanol and Ecotourism 2021.
- Tourism Policy 2020; Industrial Development Policy, MSME Act, Silicosis Policy, Solar Energy Policy and Wind & Hybrid Policy all 2019; IT & ITeS Policy 2015.
- M-Sand Policy 2024 — promotes manufactured sand as a substitute for river-bed sand.
- AVGC-XR Policy 2024 — animation, visual effects, gaming, comics and extended reality.
- ODOP Policy 2024 — One District One Product.
- GCC Policy 2025 — global capability centres.
- Integrated Clean Energy Policy 2024 — target 125 GW by 2029-30: 90 GW solar, 25 GW wind and hybrid, 10 GW hydro, pumped and battery storage.
- Green Hydrogen Policy 2023 — target 2,000 KTPA of green hydrogen by 2030.
- In November 2025 the state announced 12 new sectoral policies to be added to the 22 already in operation.

YAAD RAKHO

The single most-missed pair: the Logistics Policy is 2025, NOT 2024. Everything else in that industrial cluster — MSME, Mineral, M-Sand, Export Promotion, ODOP, AVGC-XR — is 2024. If a 'which is NOT a 2024 policy' question appears, Logistics is the answer.

ASKED IN RAS

Rajasthan's solar and renewable energy policies have been asked in every paper since 2016 — Solar Energy Policy, RRECL as nodal agency, PM-KUSUM, PM Surya Ghar. Never skip the energy policy row. RIICO industrial areas and specialised parks came in 2018, 2021 and 2024; MSME promotion in 2023 and 2024.

Rising Rajasthan — and what actually followed

Rising Rajasthan was the state's global investment summit, held in December 2024 and inaugurated by Prime Minister Narendra Modi. Two numbers matter: what was signed, and what has actually been grounded. RPSC likes the gap between the two, because that is where a 'which statement is correct' question hides.

Rising Rajasthan Global Investment Summit — the headline facts

Item	Figure
Held	December 2024, inaugurated by the Prime Minister
Total MoU value	About ₹35 lakh crore
Energy sector	₹6.19 lakh crore — the largest single share
Industries	₹75,731 crore
Urban development and housing	₹37,824 crore
Mines	₹33,060 crore

Signed versus grounded — the follow-through (as of January 2026)

MoUs signed at the summit	Investment actually grounded
About ₹35 lakh crore	About ₹8 lakh crore by January 2026
December 2024	Roughly 23% conversion in the first year
Energy dominated the pledges	Energy also dominates the grounded projects

- The largest sectoral share of MoU value was ENERGY — not mining. This is the standard trap in the summit questions.
- The summit fed directly into the 2025 and 2026 policy wave — GCC, Data Centre, Semiconductor, Aerospace & Defence.
- The state's stated economic goal alongside the summit is a USD 350 billion economy by 2030.

Districts and divisions — the position you must state

This is the most asked administrative fact in recent Rajasthan current affairs, and it is also the one most students still get wrong because they memorised the 2023 position and never updated it. Say it out loud once: forty-one districts, seven divisions. That is the position now. The story runs in two steps. In 2023 the state created 19 new districts and 3 new divisions on the recommendation of a committee headed by Ram Lubhaya. In December 2024 the new government rolled much of it back — 9 of those districts and all 3 new divisions were dissolved.

District reorganisation — the sequence

The two lists you must be able to reproduce

Retained from 2023 (8)	Dissolved in December 2024 (9)
Balotra	Dudu
Beawar	Kekri

Retained from 2023 (8)	Dissolved in December 2024 (9)
Deeg	Shahpura
Didwana-Kuchaman	Neem Ka Thana
Kotputli-Behror	Gangapur City
Khairthal-Tijara	Jaipur Rural
Phalodi	Jodhpur Rural
Salumbar	Anupgarh
—	Sanchore

- The three divisions abolished in December 2024: Pali, Sikar and Banswara.
- The seven surviving divisions: Jaipur, Jodhpur, Ajmer, Kota, Udaipur, Bikaner, Bharatpur.
- Bharatpur is the division most often planted as a wrong option in 'which was abolished' questions — it was not.

TRAP

Three ways this is set as a trap. One: the option '50 districts and 10 divisions' — that was never the settled position and is wrong now. Two: Beawar looks new and is often assumed to have been scrapped — it was retained. Three: Bharatpur is offered as an abolished division — it survives. Learn $33 + 8$ retained = 41 and you can never be shaken on the count.

The big projects — water, refinery, energy, metro

Four projects carry almost all the project questions in this chapter. Take them one at a time and learn the identity facts — name, district, capacity, status — rather than the engineering.

Ram Jal Setu Link Project (formerly PKC-ERCP)

Ram Jal Setu — the dates

- Formerly the Parbati-Kalisindh-Chambal Eastern Rajasthan Canal Project; part of the national river interlinking programme.
- Serves 17 eastern districts — the ORIGINAL ERCP was framed as a 13-district project.
- Covers roughly 40% of the state's population for irrigation, drinking and industrial water.
- About 37 sq km of its total 408.86 sq km submergence area falls inside Ranthambore Tiger Reserve.

Pachpadra refinery — HPCL Rajasthan Refinery Ltd

Pachpadra refinery — the identity facts

Item	Detail
Company	HPCL Rajasthan Refinery Limited (HRRL)
Location	Pachpadra, BALOTRA district
Capacity	9 MMTPA refining + 2.4 MMTPA petrochemicals
Equity	HPCL 74%, Government of Rajasthan 26%
Revised cost	About ₹79,459 crore, approved by CCEA in April 2026
Status	Declared commercially operational in June 2026

TRAP

Pachpadra is in BALOTRA district. Balotra was one of the eight new districts retained in December 2024. Older material still says Barmer, and Jalore is offered as a decoy. If an option says Jalore or Barmer, reject it — but be ready for a question phrased 'the Barmer-Sanchore basin', which is the geological basin and is a different thing from the district.

Energy — where Rajasthan actually stands

Solar versus total renewable — the ranking that gets confused (as of March 2026)

Installed solar capacity	Total renewable capacity
Rajasthan is FIRST in India	Rajasthan is SECOND in India
No state ahead	Gujarat is ahead
Bhadla Solar Park, about 2,245 MW, Phalodi district	Wind capacity is where Gujarat pulls ahead

- Rajasthan's total installed generation capacity was 54.77 GW as on 31 October 2025, up from 22.02 GW in March 2020.
- RRECL, Jaipur is the state nodal agency for solar, wind, biomass and green hydrogen.
- Jaipur Metro Phase 1 (Mansarovar-Chandpole) opened 3 June 2015 — the state's first metro.
- Jaipur Metro Phase 2, the Orange Line, runs Ambabari to Prahaladpura/Sitapura — about 42.8 km, 36 stations, fully elevated.
- The Budget 2025-26 committed ₹12,000 crore to Jaipur Metro; as of September 2026 Phase 2 awaits Union Cabinet clearance.

New laws, ordinances and cabinet decisions of 2026

2026 has been a heavy legislative year for the state and this is fresh material — exactly the kind RPSC reaches for. Learn the name, the date and the one distinguishing provision of each.

2026 legislation and cabinet decisions

Item	Key facts
Rajasthan Uniform Civil Code Bill, 2026	Cleared by Cabinet 14 August 2026; drafted on an expert committee headed by Justice Ranjana Prakash Desai; marriage registration within 60 days; Scheduled Tribes exempted
Rajasthan State Wage Code, 2026	Approved 7 August 2026; wages revised twice a year, on 1 April and 1 October; 48-hour working week
Rajasthan Trees (Protection) Bill, 2026	Protection for 29 listed species
One State One Election	Simultaneous elections for panchayati raj institutions and urban local bodies
Agro-Food Processing Policy 2026	Subsidy of 60%, up to ₹50 lakh

The UCC sequence of 2026 — a ready-made ordering question

CURRENT LINK

Status check (as of September 2026): the UCC Bill had been cleared by the Cabinet and tabled in the Assembly, but you must verify before the exam whether it has been passed, referred to a select committee, or received the Governor's assent. Note also the exemption clause — Scheduled Tribes and communities with constitutionally protected traditional rights are outside its scope. The 60-day marriage registration window is the number to remember; 30 days is the planted wrong option.

Appointments to state posts

Appointment questions are pure recall and pure marks. There is no understanding involved — you either know the name or you do not. Learn the office, the name, the month and, where it is given, the service batch, because RPSC has asked for the batch year.

Who holds what (as of September 2026)

Office	Holder	From
Governor	Haribhau Bagde	—
Chief Minister	Bhajan Lal Sharma	—
Deputy Chief Ministers	Diya Kumari (Finance) and Prem Chand Bairwa	—
Chief Secretary	Voruganti Srinivas, IAS 1989	17 November 2025, succeeding Sudhansh Pant
Director General of Police	Rajeev Kumar Sharma, IPS 1990	30 June 2025, fixed two-year tenure, succeeding Ravi Prakash Meharda
Chairman, RPSC	Utkal Ranjan Sahoo, IPS 1988	10 June 2025

- Rajasthan High Court: Justice M.M. Shrivastava was the 42nd Chief Justice, 6 February 2024 to 20 July 2025, then transferred to the Madras High Court.
- Justice K.R. Shriram was sworn in as Chief Justice on 22 July 2025, the oath administered by Governor Haribhau Bagde.
- Chronological order of the 2025 appointments: RPSC Chairman (June 10), DGP (June 30), High Court Chief Justice (July 22), Chief Secretary (November 17).

CURRENT LINK

Verify before the exam (as of early September 2026): the Supreme Court Collegium has recommended a new Chief Justice for the Rajasthan High Court in its latest round, so this chair is in motion. Check the Rajasthan High Court website for the sitting Chief Justice in November 2026 and overwrite this line. Do the same for any commission chairperson vacancies.

Conservation decisions — Ramsar sites and tiger reserves

These are government decisions, which is why they sit in this chapter as well as in geography. Two counts, both changed recently: five Ramsar sites and five notified tiger reserves. Learn the counts and the newest additions.

Rajasthan's five Ramsar sites

Site	District	Year
Keoladeo Ghana National Park	Bharatpur	1981
Sambhar Lake	Jaipur and Nagaur	1990
Menar	Udaipur	5 June 2025
Khichan	Phalodi	5 June 2025
Siliserh Lake	Alwar	2025

- Khichan and Menar were designated on 5 June 2025, World Environment Day; India's national tally rose to 91, the highest in Asia.
- Khichan is famous as a wintering ground for the demoiselle crane (kurjan).
- Rajasthan's five notified tiger reserves: Ranthambore, Sariska, Mukundra Hills (2013), Ramgarh Vishdhari (2022, Bundi) and Dholpur-Karauli (2023).
- Dholpur-Karauli is India's 54th tiger reserve and Rajasthan's newest.
- The proposed sixth is Kumbhalgarh-Todgarh Raoli, about 1,397 sq km, in-principle approval August 2023.

TRAP

Kumbhalgarh-Todgarh Raoli spans Rajsamand, Udaipur, Pali, Ajmer and Sirohi. Bhilwara is the standard wrong option — it is NOT part of the proposed reserve. And on Ramsar, Nalsarovar is Gujarat's, not Rajasthan's; it appears in every 'which is NOT a Rajasthan Ramsar site' question.

REVISION RECAP

1. Budget 2026-27: February 2026, Diya Kumari, theme Viksit Rajasthan @2047, outlay about ₹6,10,956 crore.
2. Budget 2026-27 numbers: GSDP ₹21,52,100 crore; fiscal deficit 3.69%; no new tax; 1 lakh government jobs.
3. Thematic outlays 2026-27: Agriculture ₹1,19,408 cr, Gender ₹74,312 cr, Child ₹51,138 cr, Green ₹33,475 cr.
