Welfare Schemes of Rajasthan

Rajasthan Economy has climbed from 6 questions in 2013 to 11-15 now, and schemes are the biggest reason. Expect 3-5 questions from this chapter alone. Jan Aadhaar has been asked in 2021 and 2024, e-Mitra in 2018, the Jan Soochna Portal in 2021, Rajshri in 2018 and 2021, Indira Mahila Shakti in 2021, Udaan and Indira Rasoi and Kisan Mitra Urja in 2023. Scheme-to-department and scheme-to-year matching is a standing RPSC pattern.

This is the biggest single scoring chapter in Rajasthan Economy, and one of the highest-frequency topics in the whole paper. It is also the easiest to get wrong, because the schemes are many, the names are long, and several were renamed after December 2023. The way to beat it is not to read scheme after scheme. Group them into families - women and child, pensions, caste welfare, disability, labour, youth, farmers - and inside each family learn four columns: scheme, year, department, beneficiary.

How to study this chapter - the four-column drill and the renaming problem

Do not read welfare schemes as prose. Every scheme in this chapter is a row in a table with four columns - what it gives, who gets it, which year it started, which department runs it. RPSC's favourite formats here are match-the-following and 'which pair is NOT correctly matched', and both are attacks on exactly those four columns. If you can fill the four columns for forty schemes, you have this chapter.

The scheme families - group by who gets it

There is a second problem specific to Rajasthan. After the change of government in December 2023 several flagship schemes were renamed. The exam has to be fair to both sets of textbooks, so RPSC asks the schemes under both names. Never learn one label - always learn the pair.

Renamed schemes - learn both labels (position as of 2026)

Current name	Former name	When it changed
Mukhyamantri Ayushman Arogya Yojana	Mukhyamantri Chiranjeevi Swasthya Bima Yojana	Renamed 2024
Shree Annapurna Rasoi Yojana	Indira Rasoi Yojana	5 January 2024
Lado Protsahan Yojana	Mukhyamantri Rajshri Yojana was merged into it	Lado Protsahan launched 1 August 2024
Varishth Nagrik Tirth Yatra Yojana	Mukhyamantri Vridhjan Tirth Yatra Yojana	Renamed under the present government
Jan Aadhaar Yojana	Bhamashah Yojana	Jan Aadhaar from 18 December 2019

YAAD RAKHO

Remember the four-column drill: SCHEME - YEAR - DEPARTMENT - BENEFICIARY. When you revise, cover the table and say all four aloud. Every match-the-following in this chapter is built from those four columns and nothing else.

CURRENT LINK

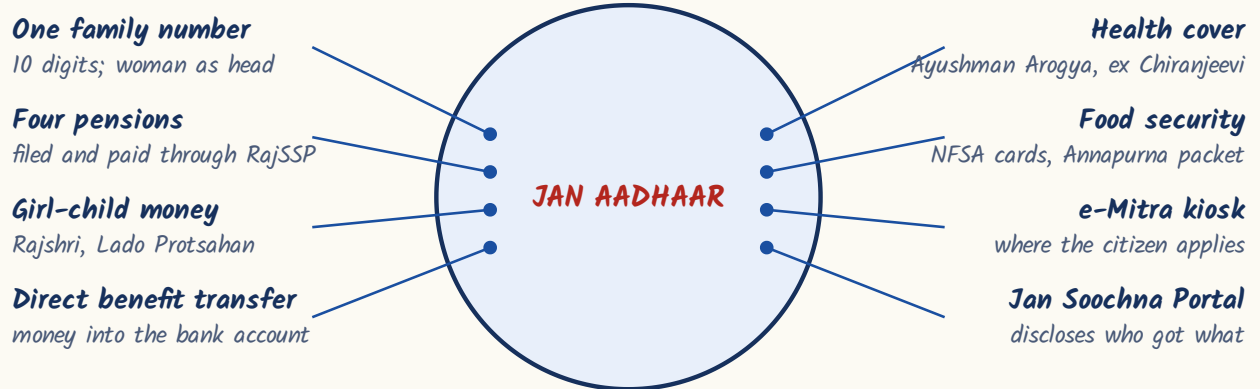

Current link, as of 2026: the renaming wave of January to August 2024 - Indira Rasoi to Shree Annapurna Rasoi, Chiranjeevi to Mukhyamantri Ayushman Arogya Yojana, and Rajshri folded into Lado Protsahan - is recent enough to be live current affairs and old enough to be in the static syllabus. It sits in both buckets, which is why it is worth over-preparing. Confirm the position from Rajasthan Sujas nearer the exam in case of further changes.

Jan Aadhaar - the delivery backbone, and how it actually works

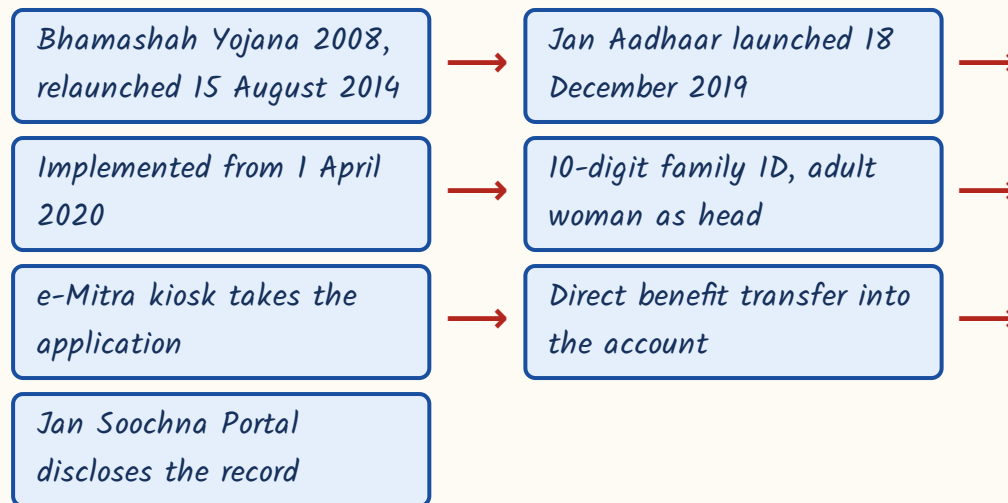

Before you list schemes, understand the pipe they all flow through. Rajasthan does not identify beneficiaries one person at a time. It registers the FAMILY as the unit and gives that family a single 10-digit number - the Jan Aadhaar. An adult woman of the household is recorded as the head of the family. Every state welfare payment, pension and subsidy is then authenticated against that one number and pushed as a direct benefit transfer.

That is why Jan Aadhaar is called the backbone. Health insurance enrolment, social security pensions, scholarships, food packets - all of them ride on it. The physical counter where a citizen actually applies is the e-Mitra kiosk. And the Jan Soochna Portal is the transparency side of the same machine, publishing who got what.

What rides on the Jan Aadhaar number

Rajasthan's identity-to-benefit pipeline

- Jan Aadhaar motto: 'One Number, One Card, One Identity'.
- It was announced in the 2019-20 state budget.
- Jan Soochna Portal - launched 13 September 2019, India's FIRST portal for proactive disclosure of scheme data.
- Its legal spirit is Section 4(2) of the RTI Act, 2005 - suo motu disclosure.
- e-Mitra kiosks handle pension applications, scheme registration, certificates and bill payment.

TRAP

Jan Aadhaar is a TEN-digit family number issued by the Rajasthan government. Aadhaar is a TWELVE-digit individual number issued by UIDAI. And Bhamashah was launched in 2008 and relaunched in 2014 - 2019 is Jan Aadhaar, not Bhamashah. Both swaps appear as wrong options.

ASKED IN RAS

Asked in RAS Pre 2021 - how many digits does the Jan Aadhaar number have? Answer: 10. And asked again in RAS Pre 2024 - which earlier scheme did Jan Aadhaar replace? Answer: Bhamashah Yojana. Two papers, the same scheme, different angles.

ASKED IN RAS

Asked in RAS Pre 2021 - the significance of the Jan Soochna Portal (13 September 2019): India's first portal for proactive disclosure of scheme information. And in RAS Pre 2018 - the kiosk network through which Rajasthan delivers citizen services: e-Mitra.

Women and child welfare - the family with the most questions

Rajasthan's girl-child schemes work on one design idea: do not give a lump sum at birth, because that does not keep a girl in school. Give the money in instalments tied to milestones - immunisation, admission to Class 1, Class 6, Class 10, passing Class 12. Rajshri did this from 2016. Lado Protsahan does the same thing on a bigger scale and for longer, and Rajshri has been merged into it.

Women and child schemes of Rajasthan

Scheme	Year	Benefit / beneficiary
Mukhyamantri Rajshri Yojana	1 June 2016	Rs 50,000 to a girl child in six instalments
Lado Protsahan Yojana	1 August 2024	Savings bond of Rs 1,50,000 in seven instalments
Indira Mahila Shakti Yojana	Umbrella programme	Training, skilling and enterprise credit for women
Indira Mahila Shakti Udaan Yojana	Component of the above	Free sanitary napkins to women and adolescent girls
Palanhar Yojana	2005	Maintenance to a guardian raising an orphaned/destitute child
Rajasthan Mahila Nidhi	2022	Credit cooperative federation lending to women's SHGs
Mukhyamantri Kanyadan (Sahyog) Yojana	-	Marriage assistance for daughters of poor families

Scheme	Year	Benefit / beneficiary
Sakhi One Stop Centres	-	Integrated support to women affected by violence

Rajshri vs Lado Protsahan – the pair RPSC will set against each other

Mukhyamantri Rajshri Yojana	Lado Protsahan Yojana
Launched 1 June 2016	Launched 1 August 2024
Rs 50,000 total	Savings bond of Rs 1,50,000
Six instalments, birth to passing Class 12	Seven instalments, up to graduation / age 21
Applies to girls born on or after 1 June 2016	Girl born in a government or approved institution
Women & Child Development Department	Rajshri merged into it (as of 2026)

- Rajshri instalments: at birth, at one year with immunisation, on admission to Class 1, Class 6, Class 10, and on passing Class 12.
- Under Lado Protsahan the largest and last instalment comes after graduation and attaining 21 years.
- Palanhar began in 2005 for children of parents sentenced to death or life imprisonment.
- It was later extended to orphans and children of widows, divorced or abandoned women, disabled parents and AIDS patients.
- Palanhar is run by the Social Justice and Empowerment Department, not by Women & Child Development.
- Rajasthan Mahila Nidhi works with Rajeevika and follows the model of Telangana's Stree Nidhi.
- Beti Bachao Beti Padhao – a central scheme launched 22 January 2015 from Panipat, Haryana.

ASKED IN RAS

Asked in RAS Pre 2018 - the commencement date of the Mukhyamantri Rajshri Yojana: 1 June 2016. Asked again in RAS Pre 2021 - the total assistance: Rs 50,000 in six instalments. Two consecutive cycles on one scheme. Learn the date and the amount together.

ASKED IN RAS

Asked in RAS Pre 2023 - what is the Indira Mahila Shakti Udaan Yojana about? Free sanitary napkins to women and adolescent girls. Asked in RAS Pre 2021 - the Indira Mahila Shakti Yojana as an umbrella women's empowerment programme of the WCD Department.

The department split you must memorise

- Women & Child Development - Rajshri, anganwadis, Indira Mahila Shakti and its Udaan component.
 - Social Justice & Empowerment - Palanhar, Kanyadan, social security pensions.
 - Devasthan Department - the senior citizens' pilgrimage scheme.
 - Labour Department, through the BOCW Board - Shubhshakti and the construction worker schemes.
-

Social security pensions and the Minimum Guaranteed Income Act, 2023

Rajasthan runs four named pensions, all through one portal and one department. What separates them is who qualifies - age for the old, marital status for single women, disability percentage for the differently abled, landholding for the small farmer. That eligibility line is the question.

The four social security pensions

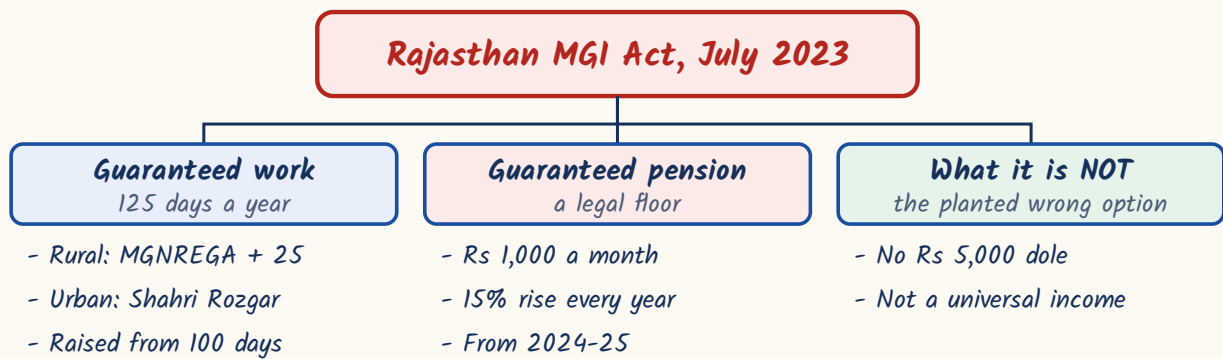

Pension	Who qualifies	Note
Mukhyamantri Vridhjan Samman Pension	Women 55+, men 58+	Old-age pension, subject to income limit
Mukhyamantri Ekal Nari Samman Pension	Widowed, divorced or abandoned women, 18+	'Single woman' pension
Mukhyamantri Vishesh Yogyajan Samman Pension	Certified disability of 40% or more	'Vishesh Yogyajan' = persons with disabilities
Mukhyamantri Laghu evam Simant Krishak Vriddhavastha Samman Pension	Small and marginal farmers in old age	Farmer old-age pension

- All four run through the RajSSP portal - ssp.rajasthan.gov.in.
- Administering department: Social Justice and Empowerment.
- Applications are filed at e-Mitra kiosks using the Jan Aadhaar number.
- Note the asymmetric ages in the old-age pension - women 55, men 58. That gap is asked directly.

Rajasthan Minimum Guaranteed Income Act, 2023 - a genuine first

This Act, passed in July 2023, made Rajasthan the first state in India to give a legal guarantee of minimum income. Understand what it does and does not do. It does not hand every family a monthly cheque. It legally guarantees three things - a number of days of work, a floor under the pension, and an automatic annual rise in that pension.

What the Minimum Guaranteed Income Act actually guarantees

- 125 days of guaranteed employment a year - MGNREGA's 100 days plus 25 extra in rural areas.
- In urban areas the 125 days come through the Indira Gandhi Shahri Rozgar Guarantee Yojana.
- A minimum social security pension of Rs 1,000 per month.
- A 15 per cent annual increase in that pension from 2024-25.
- It does NOT provide a universal cash transfer of Rs 5,000 a month - that is a standard wrong option.

CURRENT LINK

Current link, as of 2026: the Minimum Guaranteed Income Act's 15 per cent annual rise means the social security pension rates are revised every financial year from 2024-25, so the rupee figure in an old note goes stale quickly - the Rs 1,000 in the Act is the statutory FLOOR, not the current rate. The same caution applies to the Annapurna Food Packet, whose continuation and contents have been revised by the present government. Take the live pension slab and the packet contents from the latest state budget or Rajasthan Sujas before the exam.

Food security welfare - the kitchen and the packet

Two different schemes with confusingly similar names. One serves a cooked meal in a canteen. The other hands out a monthly packet of dry rations. RAS 2023 already produced a disputed question in this area, so be precise about which is which.

Shree Annapurna Rasoi vs Annapurna Food Packet

Shree Annapurna Rasoi Yojana	Annapurna Food Packet Yojana
Formerly Indira Rasoi Yojana	Launched 2023
Launched 20 August 2020	Rolled out through Mahangai Rahat Camps
Cooked meal at Rs 8 per plate, state subsidises the rest	Free monthly food packet
Slogan 'Koi Bhookha Na Soye'	Pulses, oil, sugar, salt and spices
Renamed 5 January 2024	Given to NFSA ration-card families

- Indira Rasoi was renamed the Shree Annapurna Rasoi Yojana on 5 January 2024 (as of 2026).
- The Rasoi serves COOKED meals; the Food Packet gives DRY rations.
- The Food Packet is targeted specifically at families holding NFSA ration cards.
- The National Food Security Act coverage of Rajasthan is covered in the rural development chapter.

ASKED IN RAS

Asked in RAS Pre 2023 - the Indira Rasoi Yojana: launched 20 August 2020, slogan 'Koi Bhookha Na Soye', meal at Rs 8 a plate. RPSC's own 2023 question on 'Koi Bhookha Na Soye' was disputed because both Indira Rasoi and the Annapurna Food Packet were defensible. If you get a similar stem, the slogan belongs to the Rasoi.

SC, ST, OBC, MBC and minority welfare

This family is organised by community, and the exam tests the match between scheme and community. The single biggest error students make is putting the Devnarayan schemes under Scheduled Tribes. They are for the Most Backward Classes. Learn the five MBC communities by name and that mistake disappears.

Caste and minority welfare - scheme to community

Scheme / body	Target group	Key fact
Mukhyamantri Anuprati Coaching Yojana	SC, ST, OBC, MBC, EWS, minorities	Free competitive-exam coaching
Dr. Ambedkar DBT Voucher Yojana	Same groups, studying away from home	DBT for food and accommodation at district/divisional HQ
Devnarayan Yojana	Most Backward Classes	Scooty, hostels and incentives
Tribal Area Development (TAD) Department	Scheduled Areas	Headquarters at Udaipur
Van Dhan Vikas Kendras	Tribal gatherers of minor forest produce	Run by TRIFED, Ministry of Tribal Affairs
Rajasthan SC & ST Finance and Development Cooperative Corporation	SC/ST families	Subsidised self-employment credit
Rajasthan Madrasa Board	Minority education	Set up 1995, at Jaipur

- Most Backward Classes in the Devnarayan list: Gurjar, Banjara, Gadia Lohar, Raika-Rebari, Gadaria.
- Scheduled Areas of Rajasthan: Banswara, Dungarpur and Pratapgarh entirely.
- Plus parts of Udaipur, Rajsamand, Chittorgarh, Pali and Sirohi.
- PESA, 1996 applies to these Fifth Schedule areas.
- Anuprati appears in both the education chapter and this one - it is a scholarship and a caste-welfare scheme at once.

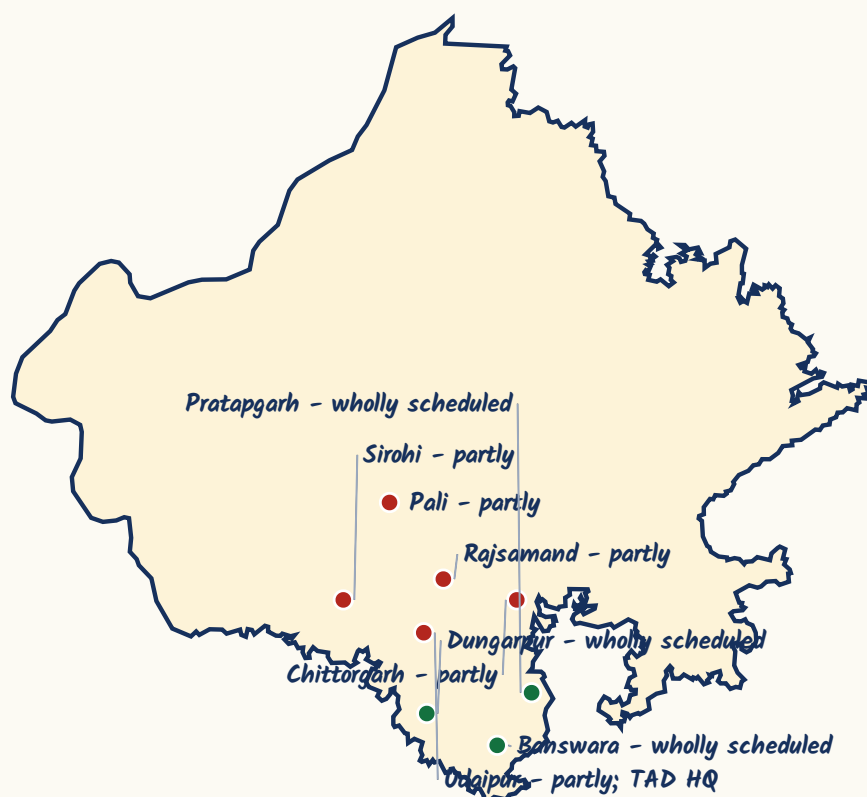

TRAP

Devnarayan schemes = Most Backward Classes, NOT Scheduled Tribes. And the TAD Department's headquarters is Udaipur, not Banswara or Jaipur - both are planted as wrong options because Banswara is the most tribal district.

Differently abled, the elderly, and the silicosis policy

Rajasthan uses its own term for persons with disabilities - Vishesh Yogyajan. You will meet it in scheme names, so recognise it instantly. The star item in this section is silicosis. Rajasthan mines and crushes a great deal of stone, so silicosis - a lung disease caused by inhaling silica dust - is an occupational epidemic here. That is why Rajasthan became the first state in India with a dedicated silicosis policy.

The Scheduled Areas of Rajasthan

Fifth Schedule areas - PESA, 1996 applies. TAD headquarters is at Udaipur.

Disability, elderly and silicosis provisions

Item	Provision	Detail
Rajasthan Silicosis Policy	2019	India's FIRST dedicated state silicosis policy
Silicosis - certified patient	Rs 3 lakh	One-time financial assistance
Silicosis - on death	Rs 2 lakh to dependants	Plus pension and other social security benefits
Vishesh Yogyajan Samman Pension	40% disability minimum	Monthly pension
RPwD Act, 2016	21 disabilities recognised	4% reservation in government jobs
Varishth Nagrik Tirth Yatra Yojana	Free pilgrimage by rail and air	Devasthan Department; earlier Mukhyamantri Vridhjan Tirth Yatra

- The silicosis policy covers the full chain - prevention, detection, certification, compensation and rehabilitation.
- Its beneficiaries are mine and stone-crusher workers, which is why the policy exists in Rajasthan first.
- Certified silicosis patients get the benefits otherwise available to persons with disabilities.
- Old-age homes and Nishakt Jan welfare also sit with the Social Justice and Empowerment Department.

TRAP

The Vishesh Yogyajan Samman Pension needs 40 per cent disability, not 75 per cent. '75 per cent' is the standard planted error in NOT-correct questions on this section.

Labour and the unorganised sector - the construction workers' board

Construction workers are the biggest organised block of unorganised labour in Rajasthan, and they have their own welfare board with its own money. Understand the funding first, because the funding is what gets asked: every construction project pays a cess of 1 per cent of construction cost, and that cess funds every scheme the board runs. Only workers REGISTERED with the board can claim.

Rajasthan Building & Other Construction Workers Welfare Board schemes

Scheme	Benefit	For
Shubhshakti Yojana	Rs 55,000	Adult daughter or the woman worker herself - skilling, self-employment or marriage

Scheme	Benefit	For
Nirman Shramik Sulabhya Awas Yojana	Up to Rs 1.5 lakh	Construction or purchase of a house
Prasuti Sahayata Yojana	Maternity assistance	Registered women workers
Nirman Shramik Shiksha evam Kaushal Vikas Yojana	Education and skill support	Workers and their children

- Legal basis of the fund: the Building and Other Construction Workers' Welfare Cess Act, 1996.
- The cess is 1 per cent of the cost of construction.
- Benefits are restricted to workers registered with the Board.
- e-Shram - the national database of unorganised workers, launched 26 August 2021 by the Union Ministry of Labour & Employment.
- Each e-Shram registrant gets a 12-digit Universal Account Number.

TRAP

Prasuti Sahayata is MATERNITY assistance. Housing assistance is Nirman Shramik Sulabhya Awas. Swapping these two is the standard NOT-correctly-matched trick in this section. And do not date e-Shram to 2020 - it is 26 August 2021.

Youth, urban employment, and farmer welfare

The last family covers people who work, or want to. Rajasthan's unemployment allowance is not a free payment - it comes with a compulsory internship condition, and that condition is the examinable detail. The urban employment guarantee is the state's own answer to MGNREGA, and it is the largest of its kind in India.

Youth, employment and urban welfare

Scheme	Year	Benefit
Mukhyamantri Yuva Sambal Yojana	-	Unemployment allowance for a maximum of two years
Indira Gandhi Shahri Rozgar Guarantee Yojana	9 September 2022	Urban wage employment - India's largest urban guarantee
Indira Gandhi Shahri Credit Card Yojana	2021	Interest-free loan up to Rs 50,000
Rajasthan Mission 2030	2023	Vision-document consultation exercise for 2030 targets
RSLDC	-	Rajasthan Skill and Livelihoods Development Corporation

- Yuva Sambal condition: a four-hour daily internship, five days a week.
- Family income limit for Yuva Sambal: Rs 2 lakh a year; the beneficiary must be registered with the employment exchange.
- The Shahri Rozgar Guarantee entitlement rose from 100 to 125 days under the Minimum Guaranteed Income Act, 2023.
- The Shahri Credit Card serves street vendors and informal-sector workers; the central counterpart is PM SVANidhi.
- Housing for the poor rides mostly on PMAY-G and PMAY-U; the state's own housing item here is Nirman Shramik Sulabhya Awas.
- Mission 2030 was a vision exercise, not a coaching or employment scheme - a favourite wrong pair.

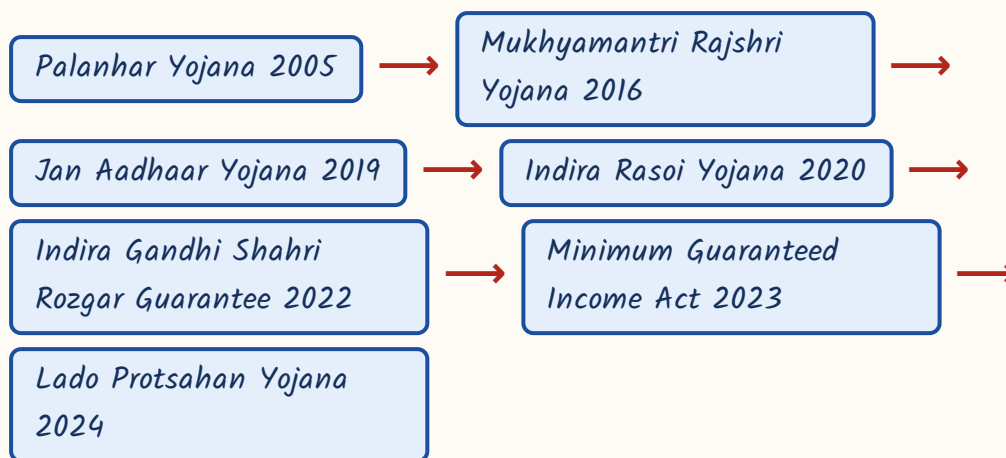

Farmer welfare

Schemes for farmers

Scheme	Launched	Benefit
Mukhyamantri Kisan Mitra Urja Yojana	17 July 2021	Up to Rs 1,000 a month (Rs 12,000 a year) on farm electricity bills

Scheme	Launched	Benefit
Rajasthan Kisan Kalyan Kosh	2020-21	Dedicated corpus fund for farmer welfare
Mukhyamantri Krishak Sathi Yojana	-	Compensation for accidental death or injury of farmers and farm labourers
Mukhyamantri Kisan Samman Nidhi	-	State top-up over the central PM-KISAN
PM-KISAN (central)	-	Rs 6,000 a year in three equal instalments

Chronology of the flagship welfare milestones - RPSC orders these

ASKED IN RAS

Asked in RAS Pre 2023 - the Mukhyamantri Kisan Mitra Urja Yojana gives a subsidy of up to Rs 1,000 per month on farm electricity bills. Fix the launch date with it: 17 July 2021, and the annual ceiling Rs 12,000.
